BRAZORIA POLICE DEPARTMENT APPLICANT AGREEMENT FORM

I, _____, have applied with the Brazoria Police Department as one of the following: (check appropriate box)

- Full Time Police Officer
- Reserve Police Officer
- Telecommunications Officer
- Other

Being a full time/reserve police officer or member of a police department often requires a dedication above and beyond a normal person's job requirements, and at times may demand sacrificing time with your family during emergency situations. Although the Brazoria Police Department encourages its members to maintain a healthy family life, there will be times when this time must be sacrificed in order to fulfill your job requirements.

By signing this document, I state that I have read, understand and agree to the following:

As a full time/reserve officer or dispatcher with the Brazoria Police Department, I will be subject to call outs, working different shifts as assigned (days/nights), weekends, and holidays. I also understand that if normally assigned to work a holiday, I may not be given permission to take off that holiday. My shifts will be subject to change at any time, for the benefit of the department.

During times of emergency such as hurricanes, I will be expected to remain at the police department after citizens have been evacuate in order to maintain order. This will require me to stay at the police station 24 hours a day until released by the Chief of Police. I will be given time to tend to my family's evacuation if needed and to secure my home and property.

ALL SWORN OFFICER/TELECOMMUNICATIONS OFFICERS WILL BE REQUIRED TO STAY DURING A HURRICANE OR OTHER MAJOR NATURAL DISASTER UNLESS APPROVED BY THE CHIEF OF POLICE. Reserve Officer will not be required to stay for a hurricane or other natural disaster but may at their own will.

I also understand that I may be required to help in other disasters, such as plant explosions, terrorist acts, or other emergencies requiring police action, and to provide assistance to other law enforcement agencies if needed during an emergency which may entail staying past my normal work hours or being called out while off duty to assist. Reserve officers may be contacted to assist if possible.

I also understand that I may be required to work any city functions, such as festivals, parades, or other city functions as required, and these functions may require me to work past my normal working hours or being called in on my day off for said functions. Example: All full time/reserve officers are required to work the NO NAME FESTIVAL, except those working night shift on the days of the festival.

I understand that this document does not cover all instances in which I may be subject to call out or staying after normal duty hours. I also understand that being a sworn police officer or member of a police department requires dedication to a profession that is often thankless as well as demanding.

(THIS DOCUMENT MUST BE SIGNED, NOTARIZED, AND TURNED IN WITH APPLICATION. FAILURE TO SO WILL RESULT IN AUTOMATIC DISQUALIFICATION FOR EMPLOYMENT WITH THE BRAZORIA POLICE DEPARTMENT.)
